EPDM

VIRGIN RUBBER GRANULES

COMPANY

Our company, Geyer & Hosaja, is one of the largest manufacturers of rubber and rubber compounds in our part of Europe, producing 60.000 tons of rubber each year. We take pride in the quality and experience gathered during our 30 years of our presence on the market.

We offer a very wide range of products that are used in various industries and different areas of activities: EPDM virgin granules, car mats, rubber compounds, retreaded tyres and retreading materials, road safety products, agriculture mats, rubber floor mats – just to name a few.
